

Organisation Profile

TakenoLAB

- [About Organisation](#)

is targeting underprivileged communities that have been experiencing the highest rate of unemployment in Malawi, our academy (takenoLAB) is an Edutech and Software Development Space that produces high quality, tech industry-specific, and cost-effective professional in Computer programming and software development. Unlike different universities, colleges, and tech hubs, our academy allows our students to learn on any industrial demanded professional while getting the opportunity to be connected to real jobs and working on real software projects.
